## Call for Papers: The Journal of Molecular Diagnostics is seeking manuscripts related to SARS-CoV-2

The Journal of Molecular Diagnostics calls for manuscripts that display new or improved molecular methods which may be applied to diagnosis or monitoring of SARS-CoV-2.

Accepted manuscripts on this subject will be expedited through the publication process as much as possible and will be free in <u>Elsevier's Novel Coronavirus Information Center</u>. Please refer to the guide for authors for information on submission and submit any questions to <a href="mailto:jmd@asip.org">jmd@asip.org</a>.

We welcome you to <u>submit your manuscript!</u>
